Update on work support for people with a health condition

During March and April, there will be a number of changes and pilots affecting people with a health condition or disability who are claiming benefits.

Government responds to the fifth Independent Review of the Work Capability Assessment

DWP has accepted the majority of the recommendations from the fifth Independent Review of the Work Capability Assessment (WCA).

for Work &
Pensions

Changes to telephone numbers

From Wednesday 25 February, contact numbers for Disability Living Allowance (DLA) claimants whose date of birth is on or before 8 April 1948 have changed as follows:

For those born on or before 8 April 1948

Telephone: 0345 605 6055

Telephone: 0845 605 6055

Textphone: 0345 604 5312

For those born on or after 9 April 1948

Telephone: 0345 712 3456

Telephone: 0845 712 3456

Textphone: 0345 722 4433

All lines are open from Monday to Friday, 8am to 6pm

The introduction of 0345 and 0845 numbers will help claimants to make an informed choice in order to minimise their call costs. The 0345 number will in general reduce the cost when dialled from a mobile phone, whilst the 0845 number will generally reduce the cost of a call from a landline.

- Glynn will keep us updated when he hears more.
- He will put any news on the Partnership Board website.
- If anyone has any queries, he will be happy to help. His email address is:
